Generated 20 August 2026 at 11:29 · Synthetic / non-production data

Requested view

"How long does it take for transfers to go from created to approved? Show the median and 95th percentile turnaround by desk."

The user wants to know the median and 95th percentile turnaround time for transfers from creation to approval, broken down by desk.

Commentary

The report provides the median and 95th percentile turnaround times for transfer approvals, categorized by desk. All desks show a similar median turnaround time, with INTERNAL and SWIFT both at 50.00 minutes, and SYRM slightly lower at 49.00 minutes. The 95th percentile turnaround times are also closely aligned, with INTERNAL at 92.00 minutes, and both SWIFT and SYRM at 91.00 minutes. The consistency across desks suggests a uniform process, but the operations team may want to ensure that the slight variations do not indicate underlying inefficiencies.
